## 1. Sign up

SIGN IN SIGN UP

*It all starts with a Date*

Looking to find people you share more in common with? You've come to the right place.  
There are 12345 active users on MatchMe today. Join us today and find your match!

SIGN UP TODAY!

1. Navigate to: <http://matchmeplease.herokuapp.com>

SIGN UP TODAY!

SIGN IN

SIGN UP

2. Click the signup button on header or the 'sign up today' on the page.

### CREATE ACCOUNT

#### Account information

\* Email

\* Password

Must contain numbers and letters.

Confirm password

Create an Account

3. On the signup page, enter a valid email address
4. Enter a password containing both letters and numbers.
5. Confirm password chosen by typing it again into the Confirm Password field
6. Register the account by clicking the 'Create an Account' button
  - a. If validation fails, 'Create Account' page will instead re-render with error messages.
  - b. If successful, you will be redirected to the 'Create Profile' page:

 **CREATE PROFILE**

 **What You're Looking For**

Create Profile

12. After filling out required fields, click 'Create Profile' button
- If successful, user will be redirected to the user profile page
  - If validation fails, page will re-render with error messages.

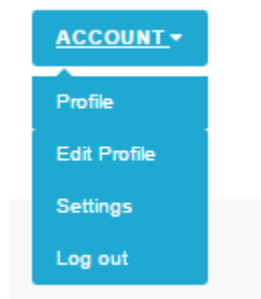

## 2. Sign in/Sign out

1. Navigate to MatchMe
2. Click the 'Sign In' button in the page header

A sign-in form with a pink title 'Sign in'. It contains two input fields: 'Email' with the text 'test@example.com' and 'Password' with masked characters '\*\*\*\*\*'. Below the password field is a checkbox labeled 'Remember me on this computer' which is checked, and a link 'New user? Sign up now!'. At the bottom is a large blue button labeled 'Sign in'.

3. Fill out the Email Address field
4. Fill out the Password field
5. Tick the "Remember Me" checkbox if you want your session to be remembered, otherwise leave it blank.
6. Click on "Sign in" button
  - a. If successful, user will be redirected to the user profile page (if logging in as a normal user) or users index (if logging in as an admin)
  - b. If input validation fails, login page will instead re-render with relevant error

messages

7. After logging in, user can logout by clicking the 'Account' menu and clicking 'Log out'.

—

### 3. Edit profile

1. Navigate to MatchMe
2. Sign in as a non-admin user

Update Profile

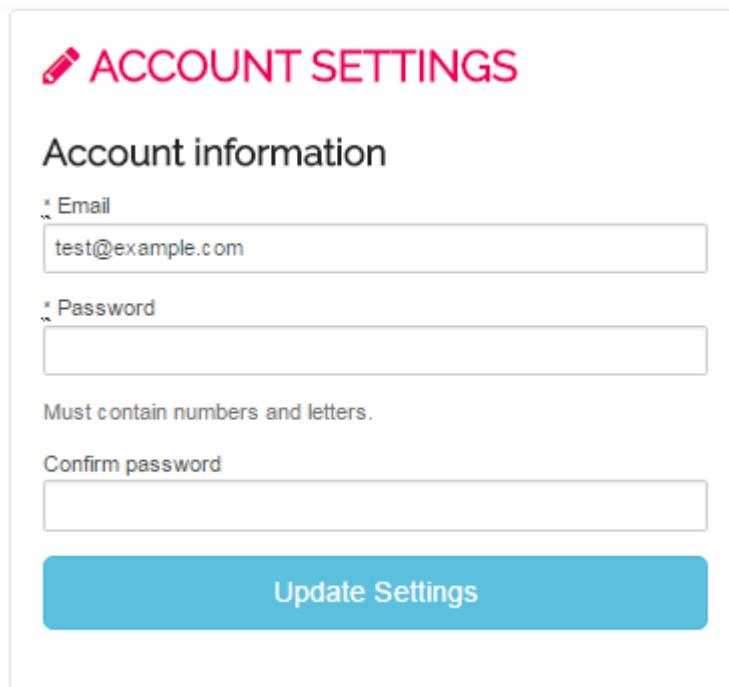

4. User will be redirected to edit profile page
5. Fill in fields that you wish to change
6. After finish all changes click ‘Update Profile’ button
  - a. If successful, user will be redirected to the user profile page
  - b. If validation fails, user will receive the error message

## 4. Change account settings

1. Navigate to the website
2. Sign in

3. Click the “Settings” link in the “Account” menu on the top-right of the page

A screenshot of the 'ACCOUNT SETTINGS' page. At the top, there's a pink header with a pencil icon and the text 'ACCOUNT SETTINGS'. Below this is the 'Account information' section. It contains three input fields: 'Email' (with the value 'test@example.com'), 'Password', and 'Confirm password'. Below the password fields, there's a note: 'Must contain numbers and letters.' At the bottom of the form is a large blue button labeled 'Update Settings'.

4. To change email address, enter new email address in “Email” field
5. To change password, enter new password in “Password” field and again in “Confirm password” field
6. Click “Update Settings” button
  - a. If successful, user will be redirected to the user profile page (if logged in as non-admin) or users index (if logged in as admin)
  - b. If input validation fails, account information will not be updated and instead the page will re-render with error messages.
